WE ARE IMAGINE

Imagine Lincoln is a member of Imagine Schools, a national family of public charter schools that empowers educators in partnership with parents to prepare students for lives of leadership, accomplishment, and character. Imagine operates 73 public charter schools in 12 states and the District of Columbia. We serve 40,000 students nationwide by providing them with a challenging, effective program of academic study and strong moral development in a safe, nurturing environment.

All Imagine schools are tuition-free public schools of choice.

Each school is uniquely tailored to its community, both in curriculum and structure. Locally, Imagine Schools operates schools in Prince George's County and Baltimore County, Maryland, and the District of Columbia, with plans to open more schools, in other areas, soon.

Imagine Schools is dedicated to helping parents and guardians fulfill the important responsibility for the education of their children. We operate Imagine charter school campuses where we teach, love, set examples, and have fun! Talented teachers and leaders join Imagine Schools because they sense the hope and energy of those who are driven, passionate, and determined. Parents recognize the special spirit of our campuses and students are excited to be part of schools where they are encouraged to take on new challenges, to explore new concepts, and to become people of character.

At Imagine Schools we celebrate the creativity, tenacity, and courage to take something good and commit to making it great. We are not afraid to try new things, to evaluate ourselves, to remedy and improve. We want students to share the excitement of creating and building something beautiful and enduring. We commit to love with abandon, teach virtue, and help our students to flourish in imagination and hope.

Measures of Excellence

Transparency and accountability are at the forefront of all that we do at Imagine Schools. The same level of transparency and accountability that is expected of Imagine Schools Non-Profit is expected of each of the schools operated by Imagine.

These two indicators are driven by the Six Measures of Excellence. We use these measures each year to grade our Imagine Schools based on several inputs provided by each school. Several data collection methods are used throughout the year to provide indicators of progress toward adhering to the Measures of Excellence.

Below are the Six Measures of Excellence and the methods used to collect the data that are employed to assign a grade in each:

Academic Achievement

PARCC — Both pre- and post-tests are used to determine same-student annual learning gains.
STAR testing — Students will take the appropriate state-mandated testing, which will provide evidence of Adequate Yearly Progress.

Parent Choice

Annual parent choice survey — This survey is administered in the spring of each school year to all families. The results are used to determine the level of satisfaction that our families have with the schools we operate.

New student enrollment and eligible returning student re-enrollment rates — Parents who are satisfied with the school will generally re-enroll their children for the following school year. In addition, successful schools will generally have a high number of new student enrollments and wait lists.

Character Development

Successful implementation of a Character Education Program — Teaching character education is required in all Imagine Schools. Twice a year, we conduct school-wide surveys to monitor the effectiveness of these programs.

Shared Values

Shared values of Justice, Integrity, and Fun (JIF) are at the forefront of the Imagine Schools' operating philosophy of "Joy at Work." Ensuring that our schools and their respected leaders adhere to and teach these values to their staff is critical to our overall success. Each year we conduct a shared values survey with each staff member. This gives us feedback on how their school is operating under this philosophy.

Economic Sustainability

In simple terms, our schools are required to live within their means by financially breaking even each year. Receiving a high grade under this measure is conducive to operating a fiscally sustainable school. In order to do this, all school stakeholders need to understand the budget and do everything in their control to spend in alignment with this budget.

New School Development

Although existing schools aren't directly responsible for developing new schools, they are expected to operate high-quality programs that will provide Imagine Schools with the ability to open and develop additional programs.

SCHOOL PLEDGE

Our Deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness that most frightens us. We ask ourselves, "Who am I to be brilliant, gorgeous, talented, and fabulous?" Actually, who are you not to be? Your playing small does not serve the world. There is nothing enlightened about shrinking so that other people won't feel insecure around you. We are meant to manifest the glory that is within us. It's not just in some of us; it is in everyone. And as we let our light shine, we unconsciously give other people permission to do the same.

SCHOOL HOURS

Before School Care 6:30 a.m. - 8:15 a.m.
Breakfast 8:10 a.m. - 8:25 a.m.
Student Arrival 8:15 a.m. - 8:30 a.m.
Tardy after 8:30 a.m.
Student Dismissal 3:10 p.m.
After School Care 3:10 p.m. - 6:30 p.m.

ARRIVAL

Students are expected to be in attendance every day. Regular school attendance teaches responsibility and establishes a daily routine for students. It is equally important that students report to school on time. **There is no supervision before 8:10 a.m. for students who are not enrolled in the before school program.** All students dropped off before 8:10 a.m. will be placed in the before school program and charged the daily rate. In addition, if the problem persists, a mandatory conference will be scheduled between the parents of the child(ren) in question and administration.

Breakfast Drop Off

- Breakfast is served each day from 8:10-8:25 a.m. only. If your child is purchasing breakfast please do not drop him/her off until arrival. Students who are purchasing breakfast should not arrive before 8:10 a.m.

Morning Drop Off

- Drop off is managed very similar to a “Kiss and Ride” process. Parents will drive around the rear of the building and pull up in the front of the building to drop off his/her son or daughter.
- Staff members will be positioned on post.
- Our school day begins at 8:30 a.m. Students who arrive after 8:30 a.m. will be late and need to report to the front office to receive a late pass.

TARDINESS (K-8)

Students are considered tardy if they arrive after the school day has begun at 8:30 a.m. Tardy students must go to the front desk and obtain a late slip before being admitted to class. Parents must walk students into the school when the student is tardy. Five (5) unexcused tardies will equal 1 unexcused absence.

ABSENCES

Anytime a student returns to school after an absence, a note signed by a parent or guardian **MUST** be brought from home. If a student is going to be absent, please call the school office before 9:30 a.m. Acceptable excuses for students’ absences are illness, health appointments, death in the family, a school sponsored event or activity that has been previously approved and/or a religious holiday.

Children who have excused absences will be permitted to make up any missed assignments. The student will be permitted to make up work for each excused absence per the schools make up policy. If the absence is unexcused, the student will receive a zero for all missed assignments, tests, or class projects. At the teacher’s discretion, makeup work can be provided.

DISMISSAL

After dismissal, parents/guardians must wait for their children in the parent pick up area of the school (rear of the building). **Students that are not picked up by 3:30 pm will go to our After School Care (Springboard) for a nominal fee. Parents are responsible for paying all After School Care fees accumulated due to late pick-ups.**

Afternoon Pick Up/Dismissal

- Dismissal will begin at 3:10 p.m.
- Please drive into the school parking lot and follow the direction of the staff members on post.
- You will be directed to drive around to the back of the school for pick up. You should park your car facing away from the students, and be prepared to exit your vehicle to retrieve your child.
- **Please note that for the first couple of weeks of school the dismissal process may take longer as we work out any adjustments.** Nevertheless, it is still the parent's responsibility to pick up his/her child directly after school.

EARLY DISMISSAL

If your child will need to be dismissed prior to the end of the school day, we ask that you come to the school office and sign him/her out with a school employee. The office staff will send for your child. **Early dismissal ends at 2:30 p.m.** Following that time, regular dismissal will commence; any parent who picks up a child early more than two times without relevant documentation will be required to meet with school administration about the matter. Only individuals listed on the EMERGENCY CONTACT FORM will be allowed to pick up students from the school during the school day. A valid picture ID will be required for any individual picking up students. If someone arrives at the school to seek the release of a student and the person's name is not on the emergency contact card and/or the person does not have valid photo identification, the student will not be released. Parents must contact the school before 2:30 p.m. to change a child's dismissal procedure for the day so the teacher is aware of the change.

EMERGENCY DISMISSAL INFORMATION

An Emergency Information Card will be sent home with each child for parents to give specific plans for children during emergency situations. It is the parent's responsibility to return the required card to school and to make sure that Imagine Lincoln Public Charter School has updated contact information if or when the emergency contact information changes. In addition, the procedures for emergency dismissal should be discussed with each child.

DELAYED OPENING AND EARLY CLOSING DISMISSAL

If it is necessary to delay the opening of school because of inclement weather, dangerous road conditions, or any other emergency, which might arise, an announcement will be broadcast over radio stations before 6:30 a.m. It will also be broadcast on Channel 96 and various other television stations, and posted on the PGCPs's web page – www.pgcps.org or www.schools-out.com. After 6:00 a.m., staff and parents can also access the school system's Voice Mail Bulletin Board by calling (301) 952- 6000. Wait for the opening message, and then press number 1. A recorded message will indicate delayed openings or school closings. In addition, the school system's cable television station, Channel 96, will broadcast a "crawl" message. **TWO-HOUR DELAY:** Schools will begin two hours later than normal. All fieldtrips will be cancelled. **EARLY CLOSING FOR INCLEMENT WEATHER, EMERGENCIES, AND OTHER PROBLEMS** – Dismissal of schools prior to the regular closing time: An announcement will be made prior to 10:15 a.m. if possible. All after-school activities and events will be cancelled. Food services will provide breakfast and lunch.

ILLNESS

The importance of regular attendance cannot be over emphasized, however, students should not be sent to school when they are ill. If a student becomes ill during the school day and it appears that they would be best cared for at home, a parent will be contacted to pick the student up. Those sent home with fever, vomiting or diarrhea should not return to school until they have been free of each symptom for 24 hours.

School personnel must be notified of any student's chronic illness (i.e. asthma, diabetes, heart conditions or seizures) or new diagnosis. This heightens awareness in case of emergency. Please keep the school informed of phone number changes and emergency contact information.

MEDICATION

Medicines, including over-the-counter ones are forbidden in school. If it becomes absolutely necessary that a child takes medicine while he/she is in school the parent must provide a signed Physician's Authorization Form for medicine to the school nurse along with the labeled medication. The label must match the form signed by the child's physician. This form can be obtained through the Prince George's County Public Schools website at www.pgcps.org via Health Services or from the school nurse. All medications are secured and will only be administered by the school nurse or the Certified Medication Technician.

INJURY

The Procedures listed below will be followed for an injured student:

1. Teachers will send the student to the nurse's office if the injury is minor.
2. Teachers will notify the nurse's office if the student is unable to be moved.
3. Trained personnel will administer basic first aid.
4. The parent (s) will be called and the injury described. For a minor injury, the parent will make the decision about removing the student from the school. Emergency contact persons will be called if the parent cannot be reached.
5. The paramedics will be called for critical injuries that require the type of care that school personnel cannot offer and the parent or emergency contact will be notified.
6. An accident report will be completed and filed for every major accident.

IMMUNIZATIONS

Students entering the school system must be compliant with their immunizations, unless exempt for religious or medical reasons. If not, they are given 20 calendar days to become compliant before being excluded from school. For a list of recommended immunizations per grade level or immunization catch up schedule you may access the section for parents under Health Services on the Prince Georges County Public School website at www.pgcps.org or see the school nurse.

Overall, all families updating immunizations must include:

- A complete immunization record or record of vaccinations
- Health inventory or physical examination
- Blood lead testing certificate (all forms available online with PGCPs)
-

SCHOOL BREAKFAST AND LUNCH PROGRAM

ILPCS participates in the federal school lunch program and follows the PGCPs lunch menu and calendar. Breakfast and lunch is served in the cafeteria daily. Students who bring lunch from home are able to purchase milk or juice. Occasionally, students lose or forget lunch or lunch money. When this happens, the student should report to the office after opening exercises (before 9:00 a.m.). A parent will be contacted and asked to deliver the money or a lunch to school. NO LUNCH CHARGES can be made since public funds do not allow schools to extend credit.

Students are not allowed to bring sodas or candy to school. Any soda or candy bought to school will be discarded. Parents are not permitted to bring fast food to school that is to be consumed in the cafeteria. Only family planned lunches can be eaten in the cafeteria in lieu of the school provided hot lunch.

PREPAYMENT FOR MEALS

All parents are encouraged to pre-pay for lunch monthly. This can be done online at www.pgcps.org or with the school cafeteria manager. However, if any students do not have lunch arrangements the cafeteria will offer an alternate lunch (i.e. cheese sandwich, milk, etc.).

MySchoolBucks, owned and operated by Heartland Payment Systems, is an online payment service that provides parents the ability to securely pay for meals, monitor student cafeteria purchases, make tuition payments for Before and After School Extended Learning programs, and receive email notifications for low account balances. With MySchoolBucks, payments can be made 24/7 using a Visa, MasterCard, Discover, credit or debit card, and mobile app. - See more at: <http://www1.pgcps.org/foodandnutrition/#sthash.Vemilxux.dpuf>

FREE/REDUCED PRICE LUNCHES

An application for Free or Reduced Price meals will be sent home with students on the first day of school. Parents must apply for this benefit annually. It should be completed and returned to the office as soon as possible. Notification pertaining to qualification for free/reduced lunch will be sent promptly.

BREAKFAST AND LUNCH MENUS

Monthly breakfast and lunch menus will be sent home at the beginning of each week and/or month in the Monday folder (at the teacher's discretion). As an added convenience, parents may view breakfast and lunch menus online at <http://www.pgcps.org/~lunch/webdocs>.

CAFETERIA BEHAVIOR

Lunchtime is a time when students enjoy socializing with other classmates and friends; however, students are expected to use proper table manners during the consumption of meals. Student lunch periods are 30 minutes in length. Students are required to remain silent during the final 10 minutes of the lunch period in order to finish eating, trash collection and to prepare to return to class.

COST (ONLINE PAYMENT PORTAL LETTER AVAILABLE)

Breakfast \$1.50

Elementary Lunch \$2.60; Secondary Lunch \$2.85

Milk \$0.55

NOTE: Due to health department regulations no outside food is permitted for student breakfast or lunch that was not prepared at home or school.

FIELD TRIPS

PARTICIPATION

Participation in field trips is a privilege. Students serve as representatives of the school. We ask that each parent review proper behavior with your child to ensure the safety of all students. If a student has a pattern of disruptive behaviors, he/she will not be permitted to attend school sponsored field trips. All students are required to be in full school uniform on field trip days. Any student that is not in full school uniform the day of a field trip will not be permitted to attend and will not be provided a refund (unless prior approval from administration is provided or indicated by the teacher).

CHAPERONES

Imagine Lincoln Public Charter School will seek to provide experiences beyond the classroom walls in the form of field trips. Parents may be asked to assist the teacher as chaperones. Parents serving in this capacity may not have other children accompany them. Additionally, all chaperones must have a background check completed with the PGCPS security office prior to requesting a chaperone assignment.

PERMISSION

Written permission must be given for students to participate in field trips. A field trip permission slip will be sent home with details about the trip that will take place. Please make sure that you send the forms back in a timely manner so that we can adequately prepare for the field trip. Without a signed field trip permission slip and/or money, the student will not be permitted to participate. **Permission slips and/or money submitted after the advertised date will not be accepted.** Please be mindful of the date to return permission slips and money, as late payments cannot be accepted.

PAYMENT

All field trips must be paid with cash or a money order. Sorry we cannot accept checks. Payment plans are accepted as long as final payment is made by due date.

EARLY DISMISSAL

Early dismissal after a field trip is permitted with notification to the school and child's teacher.

STUDENTS NOT ATTENDING THE FIELD TRIP

Students not attending the field will be divided into another classroom and expected to complete a review work packet.

SCHOOL DRESS CODE

Students are expected to follow these guidelines. Every student in attendance shall wear the school uniform.

In special instances, you may waive this right of access to allow other agencies working with your child to have access to those records.

HOMEWORK POLICY

The purpose of homework is to reinforce important skills that were taught throughout the day and develop good study habits in children early on in their academic lives.

Guidelines for Homework

Grade K- 45 minutes nightly

Grade 1- 45-60 minutes nightly

Grade 2- not to exceed 80 minutes nightly

Grade 3- not to exceed 90 minutes nightly

Grade 4- not to exceed 90 minutes nightly

Grade 5- not to exceed 120 minutes nightly

Grade 6- not to exceed 120 minutes nightly

Grade 7- not to exceed 120 minutes nightly

Grade 8- not to exceed 120 minutes nightly

Additionally, a student that does not complete class work in class during the scheduled time may have to complete class work as an additional homework assignment.

These times are a guide and are based on the average child's ability and on concentrated, undistracted time for doing homework. There will be occasions when the homework assignment may take less time one day and may take slightly more time on another day. By keeping children on a regular study routine, it will establish academic discipline while enhancing reading and writing skills.

Each student will be given time during class to write their homework assignments in their Daily Agenda books so it is the sole responsibility of the student to make sure that he/she has written down the correct homework assignment. After completing the homework assignment, the parent/guardian(s) should review the assignment and sign the daily agenda book.

If a child does not understand the home assignment after trying to complete it at home, there are several places that provide homework assistance to students. By using the following web address, you will be directed to several sites that are recommended by PGCPS.

http://www.pgcps.org/~region4/parent_resources.html

Homework should be completed by students. Parents may help in the following ways:

- Show an interest in your child's work.
- Provide a consistent place and time for quiet study.
- Assist in practicing with spelling words and number combinations.
- Encourage home reading and listen to your child read.
- Review the homework for neatness and completeness.
- Refrain from doing the work for your child.
- Discuss problems related to home study with your child's teacher.

If the student is still unable to complete the assignment, please contact your child's teacher for further clarification/assistance.

STUDY SKILLS

Imagine Lincoln Public Charter School takes educating our students very seriously. Here are a few tips on how parents can assist their child work toward academic success. Please make sure your child does the following:

- Come to school prepared to work with all necessary supplies.
- Ask for help from school personnel if assignments need to be explained further.
- Have a specific quiet place at home to study, away from distractions such as television, radio, etc.
- Take home all necessary books/documents needed for assignments.
- Review and proofread all assignments after completion.
- Use the public library regularly and check out books to READ!
- Normalize bedtime and wake-up times so that your child gets enough rest.
- Be proud of your child's performance at school and celebrate their success at home.
- Take advantage of any after school and/or Saturday school tutoring sessions.

GRIEVANCE PROCEDURE

If a student or his/her parents feel they have a grievance or complaint they should do the following:

1. Carefully analyze the problem-be sure that you have all of the FACTS from all parties involved.
2. Arrange a conference with the teacher (s) involved.
3. If not resolved, arrange a conference with the school administration.

PARENT VOLUNTEER HOURS

Parents are encouraged to volunteer 40 hours per two family households. Single parent households are encouraged to volunteer 15 hours per school year. Parents have many opportunities to volunteer their time both at school and at home. Any parent (s) interested in volunteering at the school should speak with your child's teacher first.

In order to volunteer in a classroom parents must be fingerprinted at the PGCPS Board of Education.

COMMUNICATION

Communication is absolutely essential for success in any human endeavor. The Imagine Lincoln Public Charter administrative team and staff recognize this and strive to facilitate open and frequent communication with parents at all times. Imagine Lincoln Public Charter School communicates between school and home via:

1. Wednesday folders
2. Principal Newsletters
3. Daily student agenda books
4. SchoolMax Parent Portal
5. Parent/Teacher conferences
6. Progress Reports
7. Report Cards
8. Telephone calls
9. Email
10. Administrative Meet and Greet opportunities
11. Family Surveys
12. Student Surveys

From time to time, surveys will be sent home to ask your opinion. Additionally, the End of the Year Survey will be conducted and your participation is crucial so that the school can determine areas that are working well and areas that need improvement.

In addition to the report cards and conferences, school correspondence will be sent home in a folder on Wednesday from your child's teacher. The parent/guardian will be asked to sign and return. All students will receive Wednesday folders, which contain important notices for parents and students. Students should return the folders to their homeroom teacher by Friday.

Your child's agenda book is the teacher's primary means of communicating to you homework assignments, daily student behavior, test scores, etc. It is imperative that you ensure that your child has his/her agenda book each day and that you check your child's agenda book daily for teacher correspondence. Please make sure that you check your child's backpack daily for informal notes from the teachers or from our staff.

Please feel free to consult with your child's teacher regarding any questions that you may have. It is the desire of the Imagine Lincoln Public Charter School administrative team and the faculty to be of service to both parent and student, and every teacher welcomes the opportunity to speak with any parent about their child's progress. We do urge, however, that such visits be made by making an appointment with the teacher at a convenient time before or after school hours. Parents are asked not to meet with a teacher before or after class unless a conference has been scheduled.

School sponsored parent conferences will be scheduled twice per year for each student. It is important that every attempt be made to attend these meetings to keep abreast of the progress of your child. If you are unable to keep your scheduled appointment, please contact the school to reschedule for a more convenient time.

OFFICE TELEPHONE AND CELLPHONES

The school has a business telephone to help transact the business of the school and the lines must be kept open. Students may not use the telephone except for emergencies with Administrative approval.

It is difficult to deliver a personal message to an individual student without interrupting the instructional program. Please do not ask the staff to deliver messages to students except in an emergency.

All cell phones need to be powered off during school hours and can only be used before and after school by the student, unless provided other direction from the school team (i.e. teacher, administrator).

Messaging of any type during a testing session or when the recipient of the message is in a testing session will be viewed as academic misconduct regardless of the content of the message. If possession or use of cell phone becomes a persistent problem in the classroom or school area then the student may lose their privilege to carry a phone on school grounds.

The Board of Education adopts this district-wide policy to recognize the value of allowing students to use PEDs, encourage school administrators to approve requests to use PEDs for instructional purposes, but also to hold students accountable for inappropriate PED use in accordance with the Student Rights and Responsibilities Handbook.

For purposes of this Policy, the term "portable electronic device", or PED, means an electronic device that emits an audible signal, visual signal, vibration, displays a

message, or otherwise summons the possessor. This may include, but is not limited to: cell phones, paging devices, electronic emailing devices, radios, tape players, CD players, DVD players, video cameras, iPods, MP3 players, portable video game players, laptop computers, personal digital assistants (PDAs), cameras, iPads, tablets, e-readers and any device that provides a connection to the Internet.

Administrators, faculty, and staff may request at any time that students turn off and put away PEDs. Failure to do so may result in disciplinary action and possible confiscation by the school principal. School administrators are required to consult with parents/guardians regarding a student's misuse of a PED and appropriate responses in accordance with the Code of Student Conduct.

VISITORS

For the safety and protection of all students, visitors (including parents) must sign-in out in the office and obtain a written pass before proceeding to a classroom. Cooperation will enable the school to provide a safe and orderly learning environment for all students.

TEXTBOOKS, EQUIPMENT, MATERIALS AND SUPPLIES

The textbooks issued for student use is the responsibility of the student and/or parent. Any damaged or lost books must be paid for before another book is issued for student use. Any student who has not paid for a lost book will not be permitted to participate in school activities, field trips, dances, etc. if they have an outstanding lost book debt. Parents that are interested in purchasing a textbook for student use at home should contact a school administrator.

Students will be expected to provide all basic supplies such as paper, pencils, crayons, rulers, scissors, markers, glue, etc. Any additional supply needs will be requested in writing by the classroom teacher. Please help your child come prepared for school by packing his/her homework and supplies in the evening to avoid the last minute morning rush. Ultimately, it is the student's responsibility to check and be sure that everything needed for the next day has been packed.

BATHROOM STANDARDS

Students will follow the classroom teacher's procedures for bathroom use; however, the teacher is required to limit student bathroom use during instruction and to monitor student behavior during these times. Students must have a Bathroom Pass when using the bathrooms.

Students will:

- Use the facilities properly
- Keep the noise down
- Return to class promptly

Students caught defacing school property in the bathrooms or exhibiting other inappropriate behavior will be subject to disciplinary action as determined by the Code of Student Conduct and school administration. Students are not allowed to

use the bathroom the first 10 minutes of the class for attendance purposes. Only students who provide medical documentation will be allowed to use the bathroom outside of the bathroom standards.

LABELS

Please label all personal property such as: lunch boxes, sweaters, raincoats, uniforms, etc.

LOST AND FOUND

Throughout the school year, items which have been lost are turned into the school office. If a student loses an item, he/she may come to the office to claim an item that belongs to them. There are many items lost and never claimed each year. These items are donated monthly to various charitable organizations. Therefore, please label your child's personal belongings.

BIRTHDAY PARTY POLICY

Student birthday celebrations will have to be discussed and approved at the discretion of the school principal and classroom teacher. In the event a celebration is granted, only store bought refreshments will be permitted to distribute to students and all nut products are prohibited (due to children with severe nut allergies).

The benefits attained by the advancement of technology bring with it associated costs and a wide range of risks, in particular, the exposure of students to inappropriate material and people..

C. Student Internet Access

The Web is a global database system providing access to information from around the world. Students may have access to Internet Web information resources through their classroom, or school computer lab. E-mail is an electronic mail system, which allows students to communicate one to one with people throughout the world.

D. Unacceptable Uses

The following uses of Imagine Lincoln PCS Network are considered unacceptable:

If you mistakenly access inappropriate information, you should immediately tell your teacher. This will protect you against a claim that you have intentionally violated this policy. Your parents should instruct you if there is additional material that they think would be inappropriate for you to access. The school fully expects that you will follow your parent’s instructions in this matter.

The Legal and Educational Analysis of Internet Use policy upon which this model policy is based is available on the web site: <http://netizen.uoregon.edu>

PARENT TEACHER ORGANIZATION (PTO)

A great portion of each child's day is spent at school; therefore, his/her growth and development become a joint responsibility between the home and school. Everyone is urged to become active in helping further the goals and growth of the PTO.

The faculty, staff and administration hope that all of the parents will become active members supporting the school and the association. Officers will be elected yearly according to the school's bylaws and district/state guidelines.

The PTO will sponsor fundraisers throughout the school year. Monies generated by fundraising events will be used to purchase materials and equipment for the students.

PTO board meetings are held regularly and are open to anyone who wishes to attend. All members are eligible to vote on issues brought before them for consideration during the general PTO meeting.

SEARCH AND SEIZURE POLICY (K-5) (6-8)

Imagine Lincoln Public Charter School reserves the right to search the student's person and belongings in the event the school suspects the student possesses an

unapproved or missing item. The principal, Assistant principal, or security staff may search a student. Additionally, a principal may designate, in writing, a teacher who may conduct searches while students are on a school-sponsored trip if he/she has a reasonable belief that a student has possession of an item.

Authorized personnel conducting a search of the student's person, possession, locker or assigned personal space will make a reasonable effort to inform the student prior to the search. When items are returned, it will be only to the parent. If illegal items are found, the principal will schedule a parent conference to discuss what action is to be taken, and determine whether or not the authorities will be notified.

LOCKERS ARE SCHOOL PROPERTY

All lockers assigned to pupils are the property of the school district. At no time does the school relinquish its exclusive control of its lockers. The school principal or his/her designee shall have custody of all combinations to all lockers or locks. Pupils are prohibited from placing locks on any locker without the advance approval of the school principal or his/her designee.

Unapproved locks will be cut from lockers and discarded. No financial liability for these locks rests with Imagine Lincoln Public Charter School and no restitution will be made for their damage in removal.

LEGITIMATE USE OF SCHOOL LOCKERS

The school assigns lockers to its pupils for the pupils' convenience and temporary use. Pupils are to use lockers exclusively to store school-related materials and authorized personal items such as outer garments, footwear, grooming aids, or lunch. Pupils shall not use the lockers for any other purpose, unless specifically authorized by school principal or his/her designee, in advance of pupils bringing the items to school. Pupils are solely responsible for the contents of their lockers and should not share their lockers with other pupils, nor divulge locker combinations to other pupils, unless authorized by the school principal or his/her designee.

SEARCH OF LOCKER CONTENTS

Random searches of school lockers and their contents have a positive impact on deterring violations of school rules and regulations, ensure proper maintenance of school property, and provide greater safety and security for pupils and personnel. Accordingly, the board authorizes the school principal or his/her designee to search lockers and locker contents at any time, without notice, and without parental/guardianship or pupil consent. The school principal or his/her designee shall not be obligated, but may request the assistance of a law enforcement officer in conducting a locker search. The school principal or his/her designee shall supervise the search. In the course of a locker search, the school principal or his/her designee shall respect the privacy rights of the pupil regarding any items discovered that are not illegal or against school policy and rules.

LOST AND FOUND (K-5) (6-8)

It is inevitable that a student at some time in the year misplaces something. Lost items will be placed in a "Lost and Found" box. These items will be available for parents and students to look through as needed and will be displayed for open

houses and parent educator conferences. Due to high volume, the “Lost and Found” items will be donated to charity after a minimum of three weeks in lost and found bins or following a display at an open house or conferences. Any item of value, such as jewelry, etc., will be kept in the office for identification prior to return. We strongly advise that you label all clothing and personal property so that misplaced items may be returned.

STUDENT CODE OF CONDUCT INTRODUCTION (K-5) (6-8)

Imagine Lincoln PCS is dedicated to creating and maintaining a positive learning environment for all students. Teachers, administrators, parents, and students must assume a responsible role in promoting behavior that enhances academic and social success. Courteous, respectful, and responsible behavior fosters a positive climate for the learning community. One of the most important lessons education teaches is discipline. While it is not a formal subject, it underlies the entire educational process. Discipline is the joint responsibility of students, parents, family, staff, and administration. Discipline includes self-control, character development, orderliness, and efficiency. Proper conduct and consideration of others are goals of student discipline.

The Code of Student Conduct sets forth student rights and responsibilities while at school and school-related activities, and the consequences for violating school rules. When determining the appropriate action to be taken as a consequence of student misconduct, school officials may use intervention strategies and/or disciplinary actions, depending upon the severity or repetition of misconduct; age and grade level of the student; circumstances surrounding the misconduct; impact of the student’s misconduct on others in the school community, and any other relevant factors.

The Code of Student Conduct will be administered uniformly and fairly, without partiality or discrimination. Information obtained from the student discipline log will be considered when preparing behavior plans for individual students.

WHEN AND WHERE THE CODE OF STUDENT CONDUCT APPLIES

The Code of Student Conduct applies before, during, and after school:

“When a student is at school”.

“At school” means in a classroom, elsewhere on school premises, on a school bus or other school-related vehicle, or at a school-sponsored activity or event, whether or not it is held on school premises;

When a student’s conduct at any other time or place has a direct and immediate effect on maintaining order and discipline, or on protecting the safety and welfare of students or school district staff; and

When a student is using school telecommunications networks, accounts, or other district services. This includes text messages, phone calls, letters, notes, emails, and internet communication.

VIOLATIONS OF THE CODE OF STUDENT CONDUCT

Student misconduct is classified into three levels. In addition to these three levels of discipline, a student may be suspended for his or her conduct in a class, subject or activity. The definitions of misconduct at each level are not all-inclusive, but only representative and illustrative. A student who commits an act of misconduct not listed herein is nonetheless subject to disciplinary action. Imagine Lincoln Public Charter School staff may use intervention strategies such as teacher/student conferences, auxiliary staff/student intervention, and teacher/parent/guardian contacts for Level I and Level II violations. The staff will refer Level III violations directly to school administrators, because of the serious and/or unlawful nature of the misconduct. At the option of school administrators, a student accused of any violation of the Code of Student Conduct may be referred to a school social worker or counselor, in conjunction with or in lieu of other disciplinary procedures. Where the misconduct is subject to mandatory discipline under state law, however, the school board will act to impose any mandatory sanctions. A suspension may be issued for up to one day. The principal or assistant principal may issue short-term suspensions. The district's board of education or its designee may issue long-term suspensions or expulsions.

Any student involved in the investigation of a possible violation of the student code can be required to complete a written statement of their recollection of events upon request of school staff. Failure to do so will be viewed as interference in the performance of school personnel's duties and insubordination and will result in consequences being levied. Any false information given in these statements will be viewed in the same manner with the same or greater consequence.

SHORT-TERM SUSPENSION

A short-term suspension occurs when a student is suspended for one (1) school day, up to three (3) school days. During a short-term suspension, the student's rights and privileges of attending school, including extracurricular activities, are suspended.

LONG-TERM SUSPENSION

A long-term suspension is when a student is suspended for four (4) to ten (10) school days. During a long-term suspension, the student's rights and privileges of attending school, including extracurricular activities, are suspended.

EXPULSION:

An expulsion occurs when the school district's administration terminates the student's rights and privileges to attend school, including extracurricular activities. An expulsion is for an indefinite time, unless otherwise specified by the school board or state law. The parent/guardian of the student may petition the school board to request the student's reinstatement to school, as permitted by state law.

Any additional information regarding the PGCPSC Code of Student conduct and how we respond to disciplinary infractions please see the Student Rights and Responsibilities Handbook.

ANTI BULLYING POLICY: (K-8)

The ILPCS prohibits acts of harassment or bullying. The board of education has determined that a safe and civil environment in school is necessary for students to learn and achieve high academic standards. Harassment or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe environment. Demonstration of appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment or bullying is expected of administrators, faculty, staff, and volunteers to provide positive examples for student behavior. "Harassment or bullying" is any gesture or written, verbal, graphic, or physical act (including electronically transmitted acts – i.e. internet, cell phone, personal digital assistant (pda), or wireless hand held device) that is reasonably perceived as being motivated either by any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression; or a mental, physical, or sensory disability or impairment; or by

HALLWAY EXPECTATIONS

Students are expected to conduct themselves in an orderly and courteous manner in our hallways. When in the hallways at Imagine Public Charter School, students are expected to:

Students are not to jump, touch lights, doorframes, ceiling tiles, walls, or school clocks.

Students are to refrain from touching any school artwork or class projects displayed on tables or walls in the hallway. ***There are several safety alarms throughout our hallways and touching them may trigger them. Students are not to touch these alarms and may face disciplinary consequences should they do so.** *General Classroom Expectations* Each teacher will provide their students with a copy of their classroom rules and procedures. Students are expected to abide by these guidelines at all times. Our parking lot and pickup lanes are in a confined space and it is imperative that all parents follow the prescribed rules and school postings. Assigned staff members will be available to assist students for arrival and departure into the building. Pick up/Drop up times have been predetermined and will be provided to all families (i.e. arrival/departure times posted above in the handbook).

Please drive slowly and follow the directions of the staff members directing traffic. Excessive speed or reckless operation is forbidden and may result in notification of the proper authorities. Talk to your child about looking before crossing. Although any traffic jam is frustrating, please remember that we are all in this together and to be courteous and kind for our students' sake. Parking for any length or time in Fire Lanes or spaces identified as Handicapped Only without proper permits is forbidden and may result in a request to move your vehicle.

STUDENT PERSONAL PROPERTY

Imagine Lincoln students are allowed to bring the items necessary for proper functioning at school. Such items would include pencils, ink pens, erasers, rulers, protractors, tissues, etc. Any other items such as CD players, MP3 players, portable gaming devices, cameras, playing cards, toys, etc., are not allowed unless required or permitted by school personnel (in writing). Items of great personal or monetary value should not be brought to school as their presence may be a distraction. Also, reimbursement or replacement for the loss or damage of these items will not be the responsibility of ILPCS.

SCHOOL ACTIVITIES (K-8)

A student who is suspended from school for any reason will not be allowed to practice, participate in, or attend any school activity, regardless of location, during the suspension (including weekends and/or holidays). Students who are suspended out-of-school (OSS) are to be removed from campus immediately following due process and are not to be on school grounds for any reason while suspended according to PGCPs policies.

ASSEMBLY (K-8)

On some days throughout the year students will participate in assemblies. This is a time of fun, learning, team and school spirit. During assemblies, students and family are expected to act responsibly and respectfully.

When entering, leaving or during the assembly, each student should:

- Walk quietly in a single-file line with their teacher or designated staff member.
- Enter the assembly quietly and quickly following any directions given for seating.
- Pay attention and NO TALKING during the assembly except when asked.
- Show positive actions only; no put-downs, boos, or laughing, etc.
- Excessive noise will be requested to be controlled and then the student will be removed if not remedied.
- Leave quietly and quickly following their teacher or designated staff member.
- Leave in a single-file line.

FUNDRAISING

Imagine Lincoln Public Charter School will conduct fundraisers during the school year. They are a valuable tool in providing things we cannot purchase otherwise, and can help make up any shortages in the school experience. When fundraising is done, we try to select the least troublesome ones we can find. We do ask our school families to do their part in supporting the effort.

STUDENT RIGHTS

Students have the right to feel safe from threats and bodily harm. Disruptive behaviors are never acceptable, and when they occur, they will result in time out, exclusion from participation in class activities, detention, suspension or expulsion.

Parents who have a conflict with a student other than their own child are requested to speak to the administration. At no time may parents approach the student directly.

All students and employees will be treated with respect. Slurs, innuendoes, hostile treatment, violence or other verbal or physical conduct against a student or employee will NOT be tolerated.

SCHOOL WIDE DISCIPLINE POLICY

The code of conduct at Imagine Foundations is designed to support a positive learning environment. Any violation of rules and regulations harmful to the rights and privileges of others will not be tolerated. Imagine Lincoln PCS adopted a disciplinary behavioral policy to monitor, assist, and or further reprimand those individuals who continually violate school policies and procedures.

3. We will be safe.

ILPCS PBIS Initiatives for K-8 students

DOJO Points (Grades K-8)

The Dojo Points serve as a recognition system between the staff and the students. Each child is given Dojo Points daily. The grade level teams will monitor the on-going balance needed for trips and privileges. Students can spend Points at the school store and for privileges (e.g. PBIS events, field trips, classroom incentives). We encourage students to spend their Points at the school store as a reward for their hard work. Dojo Points have no monetary value, are not transferable and expire at the conclusion of each school year.

The Dojo Management System

In order to ensure that the school's values are respected at all times, the student management system is centered on maintaining the school values and promoting success. The school believes that students should be empowered to understand that their choices in life determine consequences. Students who choose to uphold the school's values are rewarded, but students who choose to not uphold them are held accountable and must "pay" the consequences. This philosophy is **Procedures**.

Each scholar in grades K-8 has a daily Dojo report, which captures his or her behavior and quality of homework throughout the week. Scholars may earn points for scholarly habits and quality classwork/homework, but may lose points for choosing not to uphold one of the school's values. Students earn Dojo Points for coming to school on time, submitting quality work, participation in class and being Respectful, Responsible and Safe. Typically a scholar may earn as many points per day as they can. Additional bonuses are earned for exceptional behavior, academic excellence, and demonstrating the school's Shared Values.

If a scholar chooses to not uphold one of the school's values, then points are deducted from that student's report. When a scholar violates one of the core values the scholar loses the appropriate amount of points from his or her Class Dojo report. Detailed notes can be submitted to parents.

The consequences indicated above may be reduced or exceeded based upon the particular circumstances. In addition, violations of state or local law will be reported to the appropriate law enforcement authorities when required. Imagine Lincoln PCS in conjunction with the School Board of Prince George's County Public Schools reserves the right to expel students with repeated offenses in accordance with the School Code of Conduct.

It is critical that parents inform the main office, IN WRITING OR VIA EMAIL, when a phone number for work, home or cell has changed. Teachers have expressed a concern that many of the phone numbers we have on file are not current. In order for teachers to contact you regarding your child's academic progress or for the school nurse to contact you in case of an emergency, we must have current phone numbers on file. We will gladly send home family emergency cards at your request, or you may send updated information to the school office. We will update the phone numbers in the school system's data base. We appreciate your support!

CONCLUSION

Once again we extend a warm welcome to every student and family. Working together as a team, we can and will have a successful school year. Thank you for your commitment to Imagine Lincoln Public Charter School.
