THE EXECUTIVE VICE PRESIDENT'S MESSAGE.

TEAM & FAMILY,

It's a great day at Imagine. Happy New Year. It is my sincere hope that everyone had an amazing winter break and that you had time for some much deserved rest and relaxation with family and friends. I'm so happy to be back and excited about this new year (2023) because I have the awesome opportunity to share it with you. I would like to encourage everyone to let our unwavering diligence show forth as we work to fulfill the needs of our beautiful scholars and families. Let's put our best foot forward to ensure that all scholars work hard and grow to their limits of their capabilities and then exceed them. We want each child to ACQUIRE and OWN their learning efforts to achieve positive character development and academic growth.

WE ARE IMAGINE!

JUSTICE

Justice gives to each person what he or she deserves and what is appropriate. Justice requires doing all in our power to ensure that every Imagine student has access to an outstanding education. Driven by the unique abilities and needs of each student, Imagine educators design instruction to equip all students to become successful learners. We align goals for each student and adult in our schools with what they need and deserve.

INTERGRITY

Integrity means wholeness, or how things fit together. Integrity drives us to live and model consistent ethics inside and outside the school. Integrity requires responsibility and accountability. It means every aspect of what and how we teach is done with rigor and fidelity. We hold ourselves individually and collectively accountable for strong academic outcomes, with each individual fulfilling his or her responsibility so that all students can succeed.

FUN

Fun means cultivating a Joy at Work environment in every school we operate. In our schools, each person has the opportunity to use his or her unique talents and experience to make important decisions contributing to the success of the school. Joy at Work combines integrity and justice with accountability for our decisions in order to achieve outstanding results for students and families.
